OUR STORY CONTINUES

THESE ARE OUR ACTIVITIES

Today, more than ever, it is vitally necessary to spend some part of one's time in wholesome recreational pursuits. University City recognizes this pressing need for relaxation and for the development of individual hobbies and talents which call for initiative, resourcefulness and co-operation. For this purpose the school has encouraged the organization of clubs and activities varied enough to enable every student to find something that suits his personal tastes.

Orchestra

During this year the orchestra has been busy playing for many of the school activities including the Senior Play, the Operetta, Mid-year Graduation, and the Annual Dinner of the County School Board of Education. Prior to last year the orchestra was not quite so much in demand, but its duties have been steadily increasing. Mr. Falkenhainer has succeeded in building up a fine symphonic band. He now hopes to build an orchestra that will be the finest in the County. With re-enforcements coming from the Junior High Schools, this should not be hard for him to do.

Sponsor — MISS LOUISE MALONE

Jimmie Shannon, the hero, will receive \$1,000,000 from his grandfather's estate if he marries before his thirtieth birthday which is only a few days from the day on which the play opens. His hurried attempts to marry within the required amount of time provided one of the most amusing plays ever produced at University City.

Eileen was the opera presented by the chorus classes in April, 1939. Barry O'Day, Irish patriot, falls in love with Eileen, niece of Lady Estabrooke who helps him elude English soldiers. With the aid of Dinny Doyle, Shaun Dhu, Biddy Flynn, Rosie Flynn, and Sir Reginald Stribling, these characters provided an amusing operetta.

Le Cercle Francais

Sponsor — MISS WOLFNER

Le Cercle Francais has completed its thirteenth year and is, therefore, one of the oldest clubs in the school. The organization is divided into three sections,—literature, music, and games and conversation, which meet in succession each week. At the end of one cycle a general meeting is held to discuss business. Tryouts are held twice a year for those who have completed one year of French with at least an eighty average.

During the second semester the annual French play is produced. This year's presentation was Rene Fauchois' *Prenez Garde a La Peinture*, a modern comedy from which the Broadway success *The Late Christopher Bean* was adapted.

The Classical Club is an organization which a student is eligible to join if he has completed one year of Latin. The Club was formed to give students, who are interested, a chance to obtain more knowledge of the customs and language of the Ancient Greeks and Romans. The members are chosen by tryouts. The year's program consists of discussions, lectures, and trips to Washington University to see various exhibits of interest. The University City Classical Club is affiliated with the National American Classical League.

Boys' Glee Club

MR. MECHALSON—*Director*

The Boys' Glee Club, under the direction of Mr. Mecholson, was organized in 1938. With a membership of thirty-two boys, the club meets on Tuesday afternoons. They have sung twice at the Pilgrim Congregational Church and once for the University Methodist Church. The Glee Club has also performed for the University City Rotary Club and for the High School Mother's Club. Excellent work in the Activity Ticket and Student Council Dance Assemblies has made the group well acquainted with the student body. Special singing jobs in the opera were excellently handled by members of the club and it is interesting to note that every major male part in *Eileen* was performed by a member of the Glee Club.

Within the club is a special group of eight boys which does novelty numbers. Recently this octette had an audition at Radio Station KMOX.

HERE ARE OUR SPORTS

Since sound physical health is an aid in facing the problems of a doubtful future, University City offers to its students the advantages of inter-scholastic, intramural, and varsity sports which aid in the development of strong bodies and steady nerves as well as the qualities of courage, endurance, and co-operation. In the following pages, we give you a glimpse of the varied sports which the high school provides in order that these aims may be achieved.

The backfield of Robinson, Funk, Schlesinger, and Blumberg was credited with being the outstanding one in the St. Louis area. On the line, Harvey, Hawken, Blelock, and Liebig was recognized, along with the backs, by selections on numerous All-Star teams. Ted, for the second year, was chosen All-District guard. Robinson was voted honorary captain.

A new team, the Junior Varsity, was organized and played a complete schedule, winning five and losing two games. Outstanding games were with the first teams of Southwest, Principia, Ste. Genevieve, and Dupo. The Sophomores also enjoyed a good schedule. Nineteen Sophs and Juniors received school numerals.

The eleventh Indian team of Coach Muhl could have been his best, but two closing minute defeats marred an otherwise perfect season. In their first games, the Braves ran, passed, and kicked their way to powerhouse victories over Beaumont, M. M. A., Quincy, and Collinsville, amassing 126 points to their opponents' 2.

The Big Four Suburban games were hard fought battles. The Tribe, at Webster, enjoyed a half-time lead, but it was evident that they weren't showing the same power previously displayed. The alert Statesmen blocked a kick and recovered a fumble to win 13-9. Back to earth, the Black and Gold then downed Normandy, hitherto number one team in the district, 10-0. Blumberg scored on a 49 yard run, and Liebig added three points with a difficult field goal. The second edition of the Maplewood-U. City peace pact was held on the Indians' field before a record Armistice Day crowd. Opening the second quarter, the Braves outmaneuvered the Blue and White when Robinson slipped the ball to Blumberg on a neatly executed deep reverse from the 15-yard line.

ST. LOUIS DISTRICT TOURNAMENT

Mar. 1 Maplewood 21-20 at C. B. C.
Mar. 2 C. B. C. 22-29 Washington U.

The 1939 basketeers had their ups and downs. High spots would include the record of three wins over Maplewood, a win over the champion Webster quintet, thrillers with Clayton, Ritenour, and Cleveland, and of having given the District champions, C. B. C., their hardest game in the tournament. Funk was elected honorary captain. Wolfson gained first team All-Star selection, with Blumberg and Funk being named to the second teams. The Sophomores developed into one of the best preliminary teams in recent years, dropping only two, one basket decisions, out of ten games. The Juniors had a 4-2 record.

With practice activities held to a minimum by early spring rains, an inexperienced but enthusiastic squad of 55 reported to Coach Farley for the 1939 baseball season. Missing this season through graduation are Roth, Russell, Ernst, Feldman, Pearlstein, Harlan, Kranzberg, and Mordich, whose loss greatly weakened our attack. However, invaluable experience was gained in practice games with Roosevelt and Central, giving 40 to 50 players an opportunity to see action.

Back from the 1938 squad, which dropped only two league contests, are lettermen Bob Rawlings, Stanford Wolfson, Bill Creegan, Harvey Levy, Ralph Hart, Louis Puellman, and minor lettermen Bill Cole, Ralph Sternecker, and Otto Becker.

After the first two games had been washed out, the season finally got under with an 8-1 victory over Clayton. The Redskins next played Blewett scoring a 12-8 victory in 8 innings.

The outstanding game of the season, thus far, was with Ritenour. Playing against the top ranked team in the county, the Tribe came through with a two run, seventh inning rally to tie the score. Both teams had failed to score additional runs by the end of the 9th inning when the game was called due to darkness. Washington U. Freshmen furnished the opposition and managed to eke out a one run victory over our varsity.

With the season half completed, Appleby, Kirkpatrick, Lewis, Seelig, Sachs, Phillips, Sauer, and F. Russell have shown promise in their service with the veterans.

Remaining on the schedule are games with Kirkwood, Webster, Normandy, Maplewood, Wellston, and McKinley, to make the last part of the campaign the hardest.

The DIAL for

State Track Champions

With a veteran squad returning, Coach Henry Schemmer successfully opened his eleventh season at U. City by annexing his ninth straight State Indoor crown. The Indians, who placed in every event, totaled 51 points to eclipse the combined scores of their opponents by three points. For the second straight year Henry Schlesinger won the hurdles and broad jump championship, with a record leap of 22' 6", and Ralph Blumberg captured the 60 yard dash title. First place also went to Jack Meletio in the pole vault, the half mile relay team of Burch, Mathews, Wells and Blumberg, and the medley quartet of Boxerman, Mathews, Schlesinger, and Jackson.

Dual meets with Beaumont and St. Louis U. next showed the fine all around strength of the Redskins.

For the third straight year, the Indians captured both divisions in the St. Louis District meet. As expected, the Seniors easily took their title, winning by a margin of 37 points. Despite muscle in-

juries, Schlesinger took firsts in both hurdle races, and the broad jump, and Blumberg scored a first in the 220 and second in the century. Jack Meletio soared to a new record in winning the pole-vault at 11' 10 $\frac{1}{4}$ ", while Bob Spear tied for the first in the high jump. The juniors eked out a half point victory in their division. Trailing to the last event, the half mile relay team of Hirsch, Morley, Silverblatt, and Hazer surprised with a victory to provide the necessary margin of victory. The only other first place was taken by B. Eder who flipped over the cross bar at 5' 9 $\frac{7}{8}$ " for a new high jump record.

Only the University City Invitational and State Outdoor meets stand between the Indians and their second straight undefeated season, as this DIAL goes to press.

With a greater number of individuals taking part in intramural competition this year, Coach Farley's program lacks only the inter-class track meet to complete a successful season.

Despite limited facilities and space, football, wrestling and ping-pong gained increased interest among the intra-school athletes. Next year it is hoped that adequate arrangements can be made for these sports.

Intramural Champions who have received the Indian Head Emblem are:

Captain James Johnson developed into one of University City's outstanding tennis players—second only to former state champion Robert Weinstock. Jimmy's official ranking was first both in the St. Louis District and in Muny Junior Boy's singles and doubles, and number five in the Missouri Valley singles. Besides Hart and Loewe, Wilbur, Eckstein, LeRoy Letts, Bob Loins, Sam King, and Tom Manning played in inter-school matches.

The 1939 team, whose exact personnel has not been decided, is still waiting upon the necessary courts to play a Suburban schedule arranged by Mr. Muhl.

In the past few years the popularity of horseback riding has been steadily increasing with about fifteen girls now riding every Thursday and Friday at Westwood Stables. In the fall, picnic suppers are an extra feature, while in the spring the horse show is the main attraction, this year's being the third annual one. Although six girls entered the Westwood Horse Show in the fall, the invitation to enter the Maryville Show was rejected.

Volleyball has been a faster and more skillful game this year than in past years because of the new rule which allows only three people to hit the ball in order to put it over the net.

The Swimming Team

Swimming started off with a fine intramural meet at the Y. W. C. A. in which the Sophomores led with 30 points, the Juniors second with 15 points and the Seniors last with 8 points. University City then walked away with its two inter-scholastic meets. With a lead of 34 to 10 in the Normandy-University City meet behind it, University scored 22 in the All-County meet as Webster, Kirkwood, and Clayton trailed with 18, 8, and 6 points, respectively. So swimming ended as it had begun, in a blaze of glory for University City.
